

BlueAnt®

# T8 micro Bluetooth Headset

- > Small ergonomic design (only 5.2cm long)
- > Excellent talk time and standby time
- > Lightweight (13 grams)
- > Pairs with 8 Bluetooth devices
- > 2 year warranty

The BlueAnt T8 micro is an affordable, lightweight and ergonomic Bluetooth headset that delivers comfort, excellent battery life and clear audio quality. The T8 micro is designed using the latest Bluetooth 2.0 technology which can enhance a faster connection between devices and runs on extremely low power consumption.

The T8 micro stores the pairing information of up to 8 Bluetooth devices and comes with a wall charger as standard. The product is backed by BlueAnt's 2 year hardware warranty and telephone support team.
